

Student Academic Resource Center

Time Controller

Some students design college schedules like 8 hour/day jobs where they count only class and study time toward the 8 hours. For example, an 8-hour day could start at 8am, with 1 hr. for lunch, and end at 5pm. That means that every evening and weekend can be study-free.

Times	Monday	Tuesday	Wednesday	Thursday	Friday		
7:00-7:30							
7:30-8:00							
8:00-8:30							
8:30-9:00							
9:00-9:30							
9:30-10:00							
10:00-10:30
